We are reliably informed that Capt. H. B. Hillard, who has been connected with the mammo wholsale grocery and cotton house of Brooks, Neely & Co., for eleven years, has just returned to the city from a trip on the Mississippi and Tennessee road last week and took, in five days, sixty-three orders, in which he sold five cars of flour and a large quantity of meat, lard and miscellaneous goods, being more orders than he ever took, since he has been traveling, in one week. He has been constantly traveling for fourteen years. When he first came to Memphis he traveled for M. L. Meacham & Co., for three years, and then went with Brooks, Neely & Co., for whom he has traveled ever since. Last week's rates speak well for him, and a man of his energy, popularity and business capacity, with one of the largest and strongest houses in the South to represent and back him, can achieve wonders.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth; it relieves natural quiet sleep at once; it produces natural sleep without pain.

It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves heat, regulates the bowels, and is the best known remedy for diarrhea, whether arising from teething or other causes. Twenty-five cents a bottle.
